## SOCIAL SCIENCES MASTERS CANDIDATE

343 Section B, Ekangala, 1021 | ntulisphula@gmail.com

### SUMMARY

As a Rhodes University Masters candidate with a background in Sociology and Psychology, I have honed strong qualitative research, analytical, communication, and interpersonal skills. My extensive mentorship, tutoring, and teaching experience has equipped me with the ability to engage diverse audiences, foster collaboration, and adapt to dynamic environments. Through my academic background and practical experience, I have developed a solid foundation in problem-solving, critical thinking, and understanding human behavior, making me well-prepared to excel in professional settings that require teamwork, leadership, and innovative approaches.

### TECHNICAL SKILLS

- In-depth qualitative research skills
- Qualitative data analysis
- Written, verbal and communication skills
- Knowledge of MS office/PowerPoint, Excel
- Critical Thinking
- High Work Standard
- Problem Solving
